Understanding the European Union: The Policy and Legislative Process & NGO Intervention Points

Francesco Lombardi Stocchetti
Policy Advisor, Bellona Europa

Francesco is a Policy Advisor at the Brussels-based climate NGO Bellona Europa. After obtaining a masters degree in European Studies, he has been working in Brussels developing an expertise in EU climate policy.

BELLONA

With the EU elections on the horizon in June, this workshop will unveil the real-world mechanics of EU legislation, presenting how the EU legislative process works in practice, breaking free from what the books teach and delving into how Civil Society can influence a process that looks so distant and complicated.
